

Dear Simplified Computer Customer,

We are thrilled to announce we have been acquired by Pavlov Media, a leading provider of Internet services that, like us, is Champaign founded and based.

What does this mean for you?

On a day-to-day basis it's business as usual, only now we have new resources and capabilities to continue driving value for you.

What does this mean for us?

Our entire staff is now part of the Pavlov Media family! Our head office remains in the same location in Champaign. None of our staff changes. I am staying right where I am and you can reach me and our staff in the same way as before. Nothing in that regard has changed.
